Dear David & Mary,
I am glad to hear
of your celebration!

THE FIRST 200 YEARS

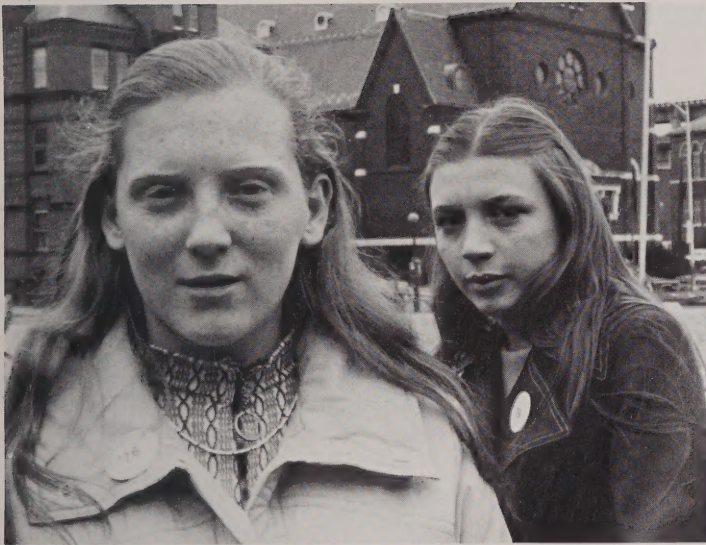

A knowledge of American history is an invitation to experience the accomplishment, drama, tragedy and hope of an infant nation struggling to grow up. Sturdy, determined pioneers hacked away at the edges of a raw continent and, with blunders and achievements alike, modeled a country with a spirited nature and a united commitment to individual liberty for every one of its citizens. Americans, great and not so great, have given us a heritage to carry on and improve upon. Farmers and soldiers, industrialists and merchants, dreamers and leaders, are all there in two centuries of progress.

But the maturing isn't finished. You'll find the boundaries of growth as endless today as when our forefathers first envisioned them. You can seek out your own destiny with the wisdom and judgement which comes with re-creation of the past. Your knowledge, dreams and industry will carry on through many more centuries of living history.

Little Zik
 I'm in the
 money ... of a song
 the way you always
 meet someone who makes
 a lasting impression. So
 always remember you & the
 frequent visits to the
 audience office & the
 photo. Don't let college
 or anything else alter
 your personality & genuine
 concern for others. Even at
 50 you'll still be "Little Zik"
 to me. Stay in touch.

Pardon me, I didn't know that was the men's room.

No, I don't own a skirt.

Say "cheese".

I'm on my way to get a little Guidance.

And how long do I have to sit in the corner?

You SAID to face you when you're talking.

I really hate it when someone scratches the blackboard.

He doesn't look like much, but he has a voice just like Paul Newman.

Listen, milk is a naturall

But, Mr. Gigliotti, this position helps me think better.

Maybe if I bite my lip hard enough, it'll bleed and I can go to the nurse.

That frog you put in your bag is starting to smell.

Do you believe that sub is for real?

You are a big Bozo!

Now that you're holding that chair over my head, I know that you really do mean to be quiet.

Yes, I AM Gerry Neuwinger. How did you guess?

If we can't sing "Tie a Yellow Ribbon", I'm not singing at all.

ELECTRICAL

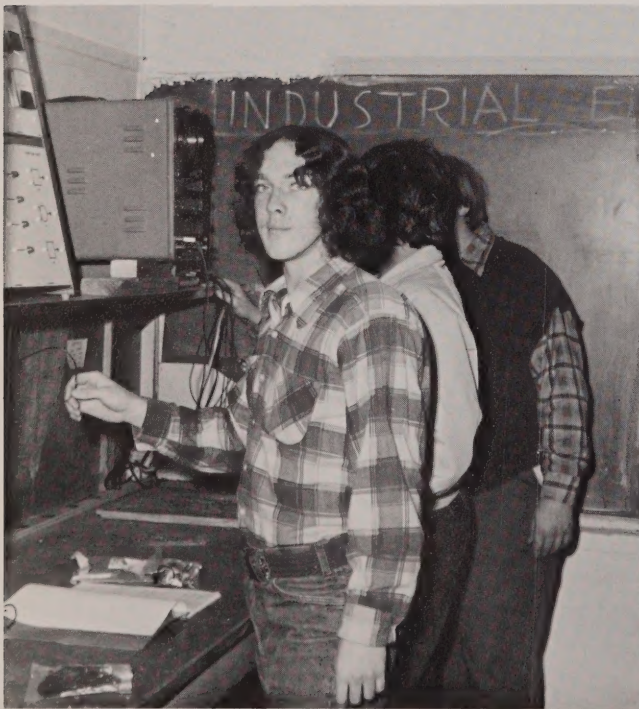

ELECTRICAL

As soon as I finish this record player, I'm playing Lawrence Welk for Mr. Deering.

I am going to make this screwdriver disappear before your very eyes.

Now when I say "3" Mr. Wilk, stick your fingers into the socket.

You mean this isn't the cooking class??

You're asking ME "How's
my love life?"

WIRE you looking at me?

Now if I can just connect Mr. Murphy's
line to the Two O'Clock Lounge.

Oh my goodness, that was
my thumb I just sawed.

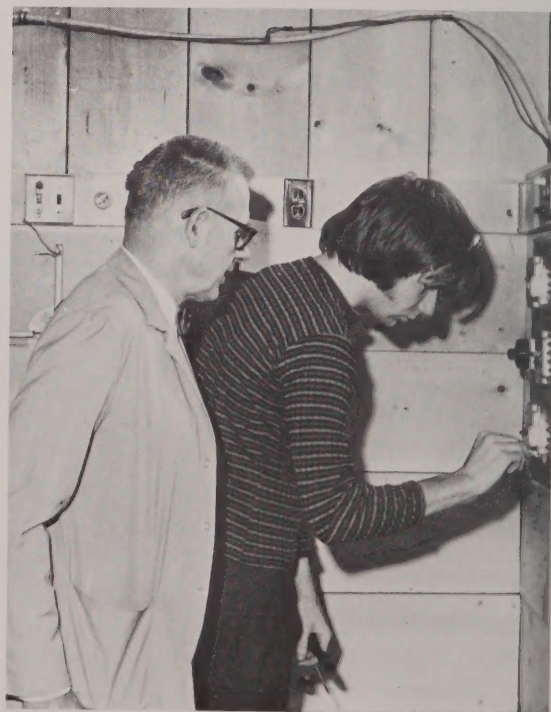

Caples' Cheerleaders!

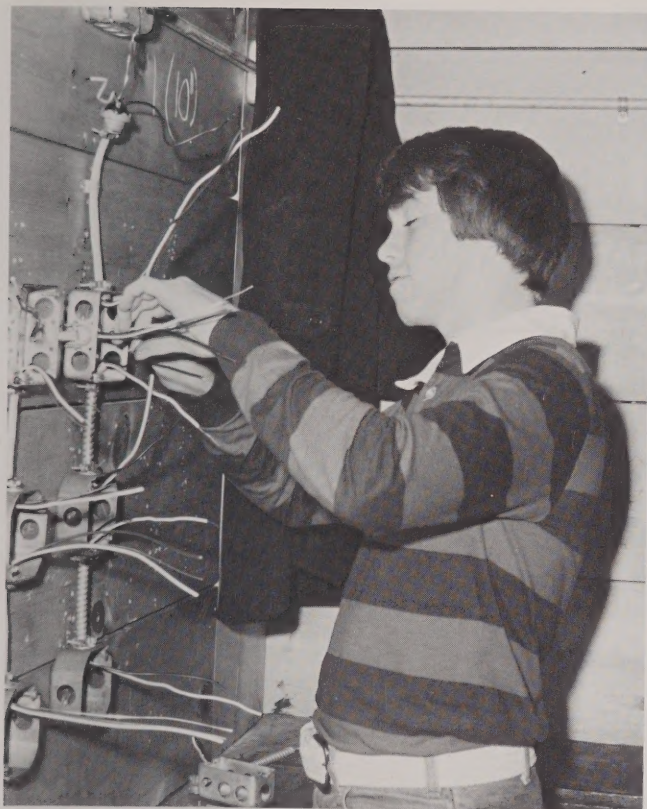

My HART isn't in this.

That one about "Why the duck crossed the street," was real funny, Mr. Marrone.

No, Glenn, you're supposed to put a bulb in there, not your finger.

I can even do this with my eyes shut.

Sex education can be fun.

Now THIS is the way you do it, Mr. Sbardelli.

You think WE set up an electric chair in the boys' john?

What do you mean the girls just left?

Does anybody know the answer to number 3?

Warren, this ISN'T Notre Dame!

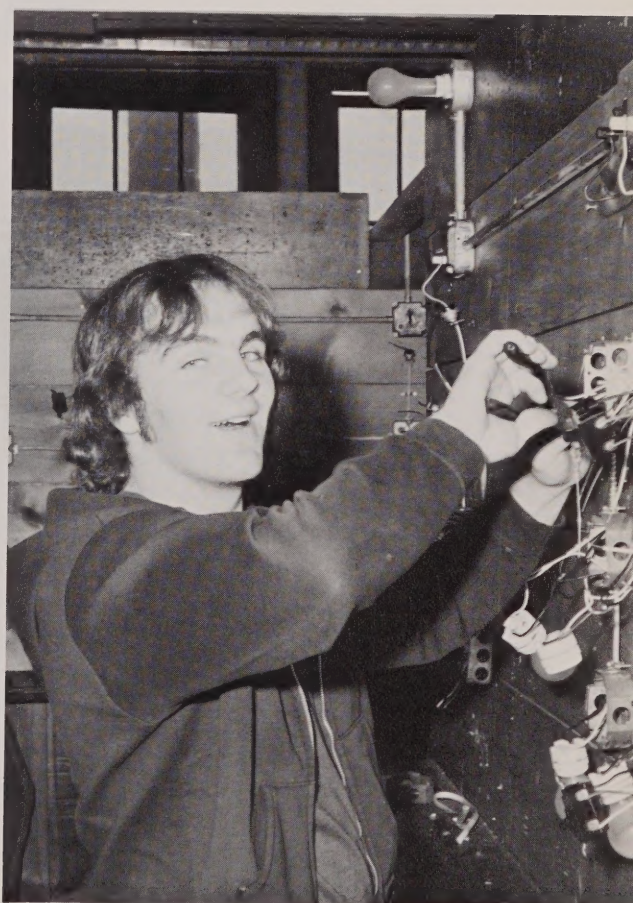

Now this is how you turn her on.

OK, guess which one's the teacher?

Does he know his pants are ripped in the back?

They don't call me a live wire for nothing!

I really don't care who the winner of the arm wrestling contest is.

We leave the Bionic Woman's leftovers.

What's meatballs with no spaghetti?

Do you believe Fitzzy is really doing this?

That wasn't funny!

We leave an unlighted Hanover Street hallway.

Little "Nanc" bites the dirt.

Isn't that disgusting?

Send the boys over!

Now we know why you got to play all year, Wayne.

We leave his own ladder so he can climb back down to earth.

SENIOR PROM

MONTVALE PLAZA, STONEHAM

Our Queen--Linda Houghton

All these people are following me to the bathroom.

Most guys are only lucky enough to have one date.

He drools too much if the plate's not under his chin.

THE QUEEN AND HER COURT--Marianne Peters, Ann Junta, Linda Houghton, Michele Barrett, Charlene Piccolo

No, we are NOT brother and sister.

The first course

Hustle'n around.

He's MY King of Pizza.

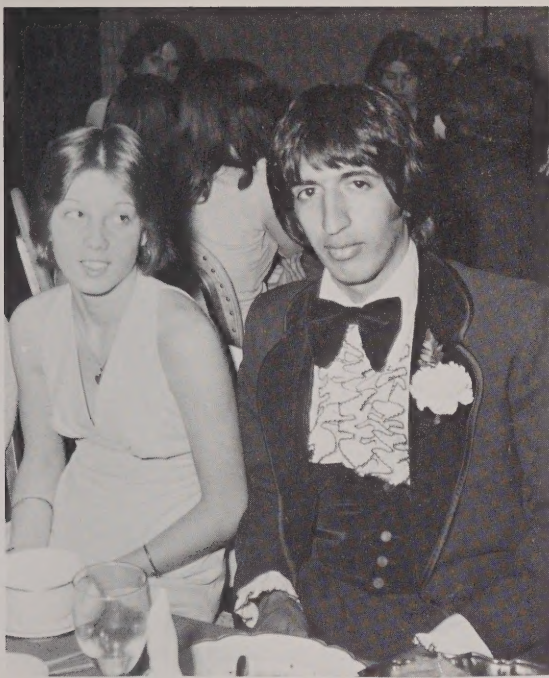

Joannie, I've never seen you look sooo divine.

When you rent 3 tuxes, you get a discount.

Gus, I don't think they believe you're only 17!

So, listen, Mary--isn't this a lot better than Florida?

I always giggle when I wear my hair up.

L & M

She knows her place!! I eat first.

Our North End lovelies!!!!

Can you believe Mr. Brennan just asked for ANOTHER plate of roast beef?

This is "my girl" and am I proud of her.

They'll probably all stand and applaud when I walk in.

You can take my picture, but be sure to send me 20 copies.

He just whispered the entire electrical code system in my ear.

". . . and the King of the Prom is me."

Oh, we're just waiting for the chauffeur to bring in our friends.
